Page 50 Page 52 1 And to do away with this water here is -- I don't guite 1 Ditch are not the same? 2 A. No. 3 Q. Okay. But what you're saying is, that you know 3 Q. So the Old Valdez, the way you understand it. 4 4 that this area is a seeped area that's always wet? has always been the Old Valdez Ditch? A. Not always, because I don't know if you're 5 A. Yes, sir. 6 aware -- Have you seen a picture where they picked up this 6 Q. It's included in what we also call the Alfalfita 7 Ditch? 7 8 Q. I've seen a picture, an old picture. 8 A. Yes, sir. 9 A. Yes, with a big load of hay. 9 Q. But it does not include the Canuto Valdez Ditch? 10 Q. Right. 10 11 A. Did you notice how wide those tires -- those 11 0. Does the Canuto Valdez Ditch feed the Old Valdez 12 wheels were on the wagon? 12 Ditch? 13 Q. I did not. 13 A. It probably -- it's quite an outstanding 14 A. Okay. And if it's seepage and thick, you can 14 drainage. It's kind of a draw that -- any runoff or cut through. And let me clue you on some more in case -anybody that leaves water running up above will have to 15 On the other side, on Elmer's side, I've seen them cut 16 come down in this draw and then end up in the Old Valdez 16 17 17 hay. There was a Mr. Sydney who was a cattle grower Ditch. there, and I saw him cut hay on the other side. 18 18 Q. Okay. You referred to in one of the affidavits 19 So this is very variable, it could change or one of the letters -- I think the letter you wrote, the 19 20 overnight, and then, what, we're ruined. Elmer and myself 20 Hall mill? will be ruined because something happened -- It could 21 21 A. Yes. 22 become also a development. Not my side, the upper side Q. And do you recall a saw mill, lumber mill, do 23 could become a development. 23 you recall seeing that lumber mill? 24 Q. Right, I understand what you're saying. 24 A. Yes, sir. 25 A. Yeah. They have city water there. Very good 25 Q. It was still intact in your lifetime? Page 53 well there that's providing that water for home sites. A. I remember hearing the call for vapor with 1 2 Q. So just one last question regarding Exhibit Q --2 power. That's why I'd like to ask -- Well, there's too or maybe two questions. You didn't actually write this 3 many things that -- in a wish book, but I know this is 3 4 letter? 4 more important, so we'll just go ahead and... 5 A. No. 5 Q. Okay. Do you recall that mill? Q. That would have been Gerald? 6 A. Yes, sir. 7 I don't remember rightly. 7 Q. Was it in working order? Q. Okay. Would you know why, then, in the text of 8 A. Yes, sir. the letter the Alfalfita is referred to as a lateral of 9 Q. In your life time? 10 the Old Valdez? 10 A. Yes, sir. 11 A. I don't know why it's -- that was a pretty -- a 11 Q. Okay. And what years were that, do you recall word that probably was not quite understood. But if it's 12 12 it? 13 a lateral, the other properties is -- I don't know what 13 A. I must have been five years old. So it was in 14 the Alfalfita -- The Alfalfita was originally, the way I 14 1925, possibly. saw it, was originally coming from the Valdez Ditch all 15 15 Q. That's when it was built? the way, and ended up in the Alfalfita as a benefit. 16 16 A. No, it was in operation. 17 Q. And one more question regarding the Valdez 17 Q. But you don't know when it was built? Ditch. Was it always called the Old Valdez Ditch, or was 18 18 A. No. I when I was five years old I remember 19 it also called the Canuto Valdez Ditch? 19 hearing the power -- you know what I mean, the whistle, 20 A. It was called the Old Valdez Ditch. 20 and I remember they had a well right there that would 21 Q. Okay. And what do you know -- where is the 21 furnish water for whatever they were using power for. 22 Canuto Valdez Ditch? 22 O. Did a ditch feed the mill? 23 A. The Canuto Valdez Ditch happens to be another 23 A. I understand it did, yes. 24 source of water -- was -- is the Rito Medio. 24 Q. Do you know which ditch that was? 25 Q. So the Old Valdez Ditch and the Canuto Valdez 25 A. That had to be the Old Valdez Ditch.
